Case No. 3:17-cv-00939-WHA

**DECLARATION OF MICHELLE  
YANG IN SUPPORT OF  
DEFENDANTS' MOTION FOR  
RECONSIDERATION OF ORDER  
DENYING-IN-PART  
ADMINISTRATIVE MOTION TO  
FILE UNDER SEAL (DKT. NO. 891)**

Date: August 24, 2017  
Time: 9:00 a.m.  
Cttrm: F, 15th Floor  
Judge: Hon. Jacqueline Scott Corley

Trial Date: October 10, 2017

1 I, Michelle Yang, declare as follows:

2 1. I am an attorney at the law firm of Morrison & Foerster LLP. I make this  
3 declaration based upon matters within my own personal knowledge and if called as a witness, I  
4 could and would competently testify to the matters set forth herein. I make this declaration in  
5 support of Defendants Uber Technologies, Inc., and Ottomotto LLC's ("Uber") Motion for  
6 Reconsideration of Order Denying-In-Part Administrative Motion to File Under Seal (Dkt.  
7 No. 891).

8 2. The attached Exhibit 1 to this Declaration is a true and correct copy of Exhibit 5 to  
9 Waymo's Letter Brief (Dkt. 681-10), with the narrow portions that are the subject of Uber's  
10 request marked in red boxes in the second and fifth paragraphs.

11 3. The attached Exhibit 2 to this Declaration is a true and correct copy of Exhibit 6 to  
12 Waymo's Letter Brief (Dkt. 681-11), with the narrow portions that are the subject of Uber's  
13 request marked in red boxes on Bates page UBER00017292, UBER0017293, and  
14 UBER00017298.

15 4. The marked portions in the second paragraph of Exhibit 5 to Waymo's Letter Brief  
16 (Dkt. 681-10) identify specific software and hardware technical features prioritized for  
17 development by Ottomotto. This information has been kept confidential. I understand that if this  
18 information were disclosed, competitors could obtain a competitive advantage by tailoring their  
19 own LiDAR development strategy to target these software and hardware technical features, such  
20 that Uber's competitive standing would be harmed.

21 5. The marked portions in the fifth paragraph of Exhibit 5 to Waymo's Letter Brief  
22 (Dkt. 681-10) identify projected numbers associated with analysis of potential profitability. This  
23 information has been kept confidential. If this information were disclosed, I understand that  
24 competitors could obtain an advantage by using this information about Ottomotto's potential  
25 profit margin to compete against Uber, which would harm Uber's ability to compete in the self-  
26 driving truck field.

27 6. The marked portions on Bates page UBER00017292 of Exhibit 6 to Waymo's  
28 Letter Brief (Dkt. 681-11) contain financial and commercial terms corresponding to terms for

1 which the Court granted sealing in the Draft Term Sheet; the Court found that this confidential  
2 business information merited sealing. (Dkt. 550 at 3.)

3 7. The marked portions on Bates page UBER0017293 of Exhibit 6 to Waymo's  
4 Letter Brief (Dkt. 681-11) identify business terms with respect to Otto Trucking for which the  
5 Court granted sealing of these terms in the draft Term Sheet. The marked portions refer to a  
6 sealed section of the Term Sheet, of which the existence has not become public knowledge. If  
7 this information were disclosed, I understand that competitors and counterparties could obtain a  
8 competitive advantage by tailoring their negotiation strategy to offer or demand similar business  
9 terms, such that Uber's competitive standing would be harmed.

10  
11 I declare under penalty of perjury under the laws of the United States that the foregoing is  
12 true and correct. Executed this 20th day of July, 2017, at San Diego, California.

13  
14 /s/ Michelle Yang
